# ONALASKA BUILDING PERMITS 12/10/2017 THRU 12/22/2017

---

HAPPY HOLIDAYS

I'm sending all the permits I have for the remainder of this year. I will be gone all next week and there won't be anyone here to send them.

When I return on January 2, 2018 I'll check and see if anything has to be sent. Sorry for any inconvenience this may cause.
